

MICHELANGELO'S GHOST

JAYA JONES TREASURE HUNT MYSTERY #4

BY GIGI PANDIAN

A lost work of art linking India to the Italian Renaissance.

A killer hiding behind a centuries-old ghost story.

And a hidden treasure in Italy's macabre sculpture garden known as the Park of Monsters...

When Jaya's old professor dies under eerie circumstances shortly after discovering manuscripts that point to a treasure in Italy's Park of Monsters, Jaya and her brother pick up the trail. From San Francisco to the heart of Italy, Jaya is haunted by a ghost story linked to the masterpieces of a long-dead artist and the deeds of a modern-day murderer.

Filled with the unexpected twists, vivid historical details, and cross-cultural connections Gigi Pandian is known for, *Michelangelo's Ghost* is the most fast-paced and spellbinding Jaya Jones novel to date.

ADVANCE PRAISE FOR MICHELANGELO'S GHOST

"Everything a mystery lover could ask for: ghostly presences, Italian aristocrats, jewel thieves, failed actors, sitar players, and magic tricks, not to mention dabs of authentic history and academic skullduggery."

—*Publishers Weekly*

"Pandian's sprightly prose, swift pace, and verve...disguise the deeper thought and scholarship underpinning the story, which like the stage props of a conjurer, make the magic happen."

—Linda Lappin, author of *Signatures in Stone: A Bomarzo Mystery*

PRAISE FOR THE SERIES

"Pandian's...series may well captivate a generation of readers, combining the suspenseful, mysterious and romantic."

—*RT Book Reviews*

"If Indiana Jones had a sister, it would definitely be historian Jaya Jones."

—*Suspense Magazine*

"Witty, clever, and twisty. Like Agatha Christie? Elizabeth Peters? You're going to love Gigi Pandian."

—Edgar-winning author Aaron Elkins
